Tulip Baroo

Of Montreal

Tulip Baroo Tulip Baroo
The magnetic rollerskater wears a bonnet of blue
Bonnet of blue
Tulip Baroom though you are four walls
You don't make a room don't make a roomI caught you
covered in tinsel
Bouncing your eyeballs off a pinstripe pianoDon't you think
that I get lonely too?Tulip Balanc Tulip Balanc
The mouse caught in the hubcap
Goes clanky clank clank
Clanky clank clank
Tulip Barance the turtle necked boatman
Does the plum dance does the plum danceI caught you disguised as a man with a mustache
Selling secrets to a canned tomatoDon't you think that I get lonely too?Tulip Baroo Tulip Baroo
I don't know what to make of you
You're in charge of every coup
that the feds set out to do
Tulip Baroo Tulip Baroo
There's an island off of Spain
Where it's snowing out of season
and they claim its cause of you
Tulip BarooTulip Baroob Tulip Baroob
The underhanded grocer is soaking a tube
Soaking a tube
Tulip Baraw the ground split wide open
Like a musical saw musical saw
