

# Polytoximaniac

## Sodom

I'm quite prepared to use what everyone declines  
I can't restrain myself  
'Cause devils in my head tonight  
Dullness in my eyes turns all the sunshine into rain  
And I deceive myself that I could never fall again I'm a politoximaniac  
Dangerous and blind  
A politoximaniac  
The truth begins to bite  
A politoximaniac  
It's all that I can say  
A politoximaniac  
From birth 'til my decay It's not a strong man's act to fall in ecsatasy  
I like to have a bit of fun also with medecine  
I blow my brain out of my head but I don't care  
Searching for a secret flavour restless day by day Sometimes I see reflections in the shade of god  
One billion cokroaches are ready to attack  
I can't believe my sense it's time to say goodbye  
The golden shot is due, erasure of my mind
