Goodnight Moon

Shivaree

There's a nail in the door and there's glass on the lawn

Tacks on the floor and the TV is on

And I always sleep with my guns when you're goneThere's a blade by the bed and a phone in my hand A dog on the floor and some cash on the nightstand

When I'm all alone the dreaming stops and I just can't standWhat should I do just a little baby

What if the lights go out and maybe

And then the wind just starts to moan

Outside the door he followed me homeWell goodnight moon I want the sun

If it's not here soon I might be done

No it won't be too soon 'til I say, Goodnight moonThere's a shark in the pool and a witch in the tree A crazy old neighbor and he's been watching me

And there's footsteps loud and strong coming down the hallSomethings under the bed now it's out in the hedge

There's a big black crow sitting on my window ledge

And I hear something scratching through the wallOh what should I do just a little baby

What if the lights go out and maybe

I just hate to be all alone

Outside the door he followed me homeNow goodnight moon I want the sun

If it's not here soon I might be done

No it won't be too soon 'til I say, Goodnight moonWell you're up so high, how can you save me?

When the dark comes here tonight to take me up

The mouth from woke and into bed

Where it kisses my face eats my handOh what should I do just a little baby

What if the lights go out and maybe

And then the wind just starts to moan

Outside the door he followed me homeNow goodnight moon I want the sun

If it's not here soon I might be done

No it won't be too soon 'til I say, Goodnight moon

No it won't be too soon 'til I say, Goodnight moon
