

# We Used To Wait (KRUSHA Remix)

## Arcade Fire

I used to write  
I used to write letters  
I used to sign my name  
I used to sleep at night  
Before the flashing lights settled deep in my brain  
But by the time we met  
By the time we met  
The times had already changed So I never wrote a letter  
I never took my true heart  
I never wrote it down  
So when the lights cut out  
I was lost standing in the wilderness downtown Now our lives are changing fast  
Now our lives are changing fast  
Hope that something pure can last  
Hope that something pure can last It seems strange  
How we used to wait for letters to arrive  
But what's stranger still  
Is how something so small can keep you alive  
We used to wait  
We used to waste hours just walkin' around  
We used to wait  
All those wasted lives in the wilderness downtown Ooooo we used to wait  
Ooooo we used to wait  
Ooooo we used to wait  
Sometimes it never came (we used to wait)  
Sometimes it never came (we used to wait)  
Still moving through the pain I'm gonna write a letter to my true love  
I'm gonna sign my name  
Like a patient on a table  
I wanna walk again  
Gonna move through the pain Now our lives are changing fast  
Now our lives are changing fast  
Hope that something pure can last  
Hope that something pure can last Ooooo we used to wait  
Ooooo we used to wait  
Ooooo we used to wait  
Sometimes it never came (we used to wait)  
Sometimes it never came (we used to wait)  
Still moving through the pain

We used to wait  
We used to wait  
We used to wait We used to wait for it  
We used to wait for it  
Now we're screaming  
Sing the chorus again  
We used to wait for it  
We used to wait for it  
Now we're screaming  
Sing the chorus again  
I used to wait for it  
I used to wait for it  
Hear my voice screaming  
Sing the chorus again Wait for it  
Wait for it  
Wait for it
