# Into the Coven

## Blood Ceremony

Howl like a wolf
And a witch will open the door
Follow me and meet our high priestessCome, come into my coven
And become Lucifer's childUndress until you're naked
And put on this white coat
Take this white cross and go to the middle of the ringCome, come into my coven
And become Lucifer's childNow crush it, crush the cross
Suck the blood from this unholy knife
Say after me, my soul belongs to SatanNow, now you're into my coven
You are Lucifer's child
Into the coven Lucifer's child
