

# Into the Coven

## Blood Ceremony

Howl like a wolf  
And a witch will open the door  
Follow me and meet our high priestessCome, come into my coven  
And become Lucifer's childUndress until you're naked  
And put on this white coat  
Take this white cross and go to the middle of the ringCome, come into my coven  
And become Lucifer's childNow crush it, crush the cross  
Suck the blood from this unholy knife  
Say after me, my soul belongs to SatanNow, now you're into my coven  
You are Lucifer's child  
Into the coven Lucifer's child
