

Get Gotten (Live at Dubin's House)

[Ben Lee](#)

Ok, baby, what'll it be?
I asked my friends and they all agreed
You're exactly the kind of trouble that I need I got songs to give, I got songs to prove
Songs I use when I wanna' seduce
And I wanna' seduce you
Why won't you let me? I wanna' get you, so get gotten
I won't stop til' I get to the bottom
I wanna' get you, so get gotten I got big, big dreams
In a small, small world
And I'm using God to pick up girls
And I'm willin' to put it all on the line I got words that destroy, words that build
I use words and feel no guilt about it
I got words that go bump in the night It's no secret that I've fallen
I won't stop til' I get to the bottom
It's no secret that I've fallen 'Cause first you're ripe and then you're rotten
Don't stop 'til you get to the bottom
First you're ripe and then rotten Once I knew, but I've forgotten
I find out when I get to the bottom
Once I knew, but I've forgotten I wanna' get you, so get gotten
I won't stop 'til I get to the bottom
I wanna' get you, so get gotten
