

# I'm Just a Country Boy (Single Version)

[Don Williams](#)

I ain't gonna marry in the fall I ain't gonna marry in the spring  
Cause I'm in love with a pretty little girl who wears a diamond ring  
And I'm just a country boy money have I none  
But I've got silver in the stars  
And gold in morning sun gold in morning sun Never gonna kiss the ruby red lips of the prettiest girl in town  
Never gonna ask her if she'd marry me I know she'd turn me down  
Cause I'm just a country boy Never could afford a store bought ring with the sparkling diamond stone  
All I could afford is a loving heart the only one I own  
Cause I'm just a country boy
