

Turn Back Time

DJ Nate

Give me time to reason, give me time to think it through
Passing through the season where I cheated you
 I will always have a cross to wear
 But the bolt reminds me I was there
So give me strength to face this test of mineIf only I could turn back time
 If only I had said what I still hide
 If only I could turn back time
I would stay for the night, for the nightClaim your right to science, claim your right to see the truth
 Though my pangs of conscience will drill a hole in you
 I've seen it coming like a thief in the night
 I've seen it coming from the flash of your light
So give me strength to face this test of mineIf only I could turn back time
 If only I had said what I still hide
 If only I could turn back time
 I would stayThe bolt reminds me I was there
 The bolt reminds me I was thereIf only I could turn back time
 If only I had said what I still hide
 If only I could turn back time
 I would stay for the nightIf only I could turn back time
 If only I had said what I still hide
 If only I could turn back time
 I would stay for the nightIf only I could
 (If only I could)
 If only I could
 (If only I could)
 If only I could turn back time
 I would stay for the nightIf only I could
 (If only I could, if only I could)
 If only I could
 (If only I could, if only I could)
 If only I could turn back time
 I would stay for the night
 If only I could
 (If only I could, if only I could)
 If only I could
 (If only I could, if only I could)
 If only I could turn back time
