

All About You

Praise and Worship Live

[Verse 1:]I know girl, when you look at me

 You don't know how I feel

 Cause I'm usually so nonchalant

 My feelings I conceal

 But I want you to know

 Oh, I want you to know

I must admit I've felt this way for more than quite a while

 But I can't hold it no longer when I see that pretty smile

 Can't wait no more

 Oh, I can't wait no more

 Oooh

[Chorus:]Girl, to tell you the truth

 It's always been you

 I'm all about you

 Oh, girl

No one can do me the way you do

 It's always been you

 I'm all about you

[Verse 2:]Maybe I'm a fool for speaking up but I don't mind

 Cause a girl like you will come around like

 Once in a million times

 So what do I do?

 Tell me what do I do

And the look that you are givin' me gives me hope to believe

 So for you baby I'll change my ways I'll

 Wear my heart on my sleeve

 Got nothin' to lose

 I've got nothin' to lose

[Chorus:]Oh, girl, to tell you the truth

 It's always been you

 I'm all about you

 Oh, girl

No one can do me the way you do

 It's always been you

 I'm all about you

[Bridge:]Girl when you smile

 Not a place I'd rather be

 Just stay for a while

Then you'll see you should be right here with me
Cause I love everything you do
That's why I have to take this time baby to tell ya
Oh, and now you know
And now you know
[Chorus:] Girl, to tell you the truth
It's always been you
I'm all about you
Oh, girl
No one can do me the way you do
It's always been you
I'm all about you
Oh oh oh oh oh oh oh
I'm all about you
Oh oh oh oh oh oh oh
I'm all about you
Oh oh oh oh oh oh oh
I'm all about you girl
Oh oh oh oh oh oh oh
