## Do or Die

Yo Kanye blow the hook, you a genius boy

Now when you hear this song you know it's on babygirl  
When you hear this song you know it's on  
When you hear this song you know it's on  
I swear your loving got me so high I'm gone

Me and you babygirl like best friends  
Let me hit you when I get the notion  
On I-55 you and I  
Let's ride hit the motion  
Some say she freaky freaky  
Let me guess your lidro needa  
I'm hittin' through the back and curves  
Hell, they sell the herb

Now open up your mind to this concept  
Then you take one step  
Straight from the feelin' of a wordsmith  
That's the herb shit  
Up on my 22 spins  
In my baby blue benz  
Girls say dat boys ben actin up  
But that's the way he is

You lookin' good when you steppin' out a centerfold  
Tell me when I reach a pen to hold  
Let me hit you wit this dime in the street game  
Let a motherfucker go yeah you know it  
So now let me sugarcoat it  
It's like I'm on that tight herb  
And when I pull t the curb it's like, it's like

Your my latest, and my greatest  
My latest, my greatest

Your my latest, and my greatest  
My latest, my greatest

When I'm layin' in the back of my 745

With my lips on you  
Spittin' good game  
With the hustler grain  
Gettin' brained like a hustler should  
Hustler would  
And you know when I hear the stuff  
I'm still tryin' to hear this love what that do  
It's like that baby when I mix it up baby gurl you just got me sprung  
What that do

Oh yes she's one of the best  
As I touch this is past tense I'm hurtin'  
Lurkin' searchin' for the virgin  
But when my babygurl it's workin'  
Let me know what's that you smokin'  
From the hands as I stick my tongue in  
Then from the back but she want an autograph  
But still we sexin'

Open back up last time  
As I spit a little dough in my mind  
She just like one of a kind  
No see's no stand in her hind  
She's just like me rappin' a line  
Perfect let me drop in a dime  
I'm on a roll again  
I'm bought to blow again

Your my latest, and my greatest  
My latest, my greatest

Your my latest, and my greatest  
My latest, my greatest

Just keep on liftin' me up yeah

Higher  
(Do or Die and Kanye)  
No need to take another puff  
(Choir)  
Higher  
(Do or Die and Kanye)  
Cause your love has got me high enough  
No, No, No, No, No, No  
(overlappig Choir and Do or die)

Just keep on Lifting me up yeah

Higher

(Do or Die and Kanye)

No need to take another puff

(Choir)

Higher

(Do or Die and Kanye)

Cause your love has got me high enough

No, No, No, No, No, No

Just keep on Lifting me up yeah
