We're All No One

NERVO

You do your best.
You take the fall.
You reminisce.
About almost nearly having it all.You see the stars
You try and catch one
ooooh
You tried so hard
Chasing, nothingBecause,
We're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at youI said we're all no one 'til someone thinks that we're someone
'til then we're no one
And you got me looking at you, looking at youWe're all the same
We all have hopes
Ohh it gets insane
When you're slipping down that downward slope
I come with peace,
I offer love.
So if you're hearing me,
Then hurry baby,
Give it up.Because,
We're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at youI said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at youI said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at youI said we're all no one 'til someone thinks that we're someoneOh!
C'mon
Oooooh!
C'monDo ya best.we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you, looking at youI said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you, looking at you.
