England 5, Germany 1

The Business

Was a sunny day in a Munich stadium
All the beer in Munich can't console them
As Oliver hit the turf, it was English football's birth
It was there biggest loss since 1931England 5, Germany1
Michael Owen is number 1Beckenbauer and Voller thought they'd seen it all
Steven Michael Emile and golden balls
Running rings round you there was nothing
You could do England's glory, we changed the story
Now, where pulling throughEngland 5, Germany 1
Michael Owen is no1We got a Swede called Sven Gor Eriksson
Bobby Moor is now David Beckham
So, Germany rip where the golden age to be, our time has come
There on the run, it's time for victoryEngland 5, Germany 1
Michael Owen is no1
