She is crazy about you
You are crazy about me
I like him
But he likes youThis happens
All the time
It's so
Cruel
It's such a
ShockPlunge into the swirl of light
Get into the echoing rhythm
Inside the growling bass
You feel like you're emptyWhen he dumped me
I was drowning my sorrows in champagne
A friend of his came and
Said to meThis happens
All the time
It's so
Cruel
It's such a
ShockPlunge into the swirl of light
Get into the echoing rhythm
Inside the growling bass
You feel like you're emptyPlunge into the swirl of light
Like a fish swimming
Inside some weak acid solution
Free yourselfPlunge into the swirl of light
Get into the echoing rhythm
Inside the growling bass
You feel like you're emptyYou are crazy about me
She is crazy about me
Even he is crazy about me
But I am crazy about themOh my god
What should I do
It's so
Cruel
It's such a
ShockPlunge into the swirl of light
Get into the echoing rhythm
Inside the growling bass

You feel like you're emptyPlunge into the swirl of light
Like a fish swimming
Inside some weak acid solution
Free yourselfNa na na na na
