

# Sing Together

## Train

If I go before I say to everyone in my ballet  
Let me take this chance to thank you for the dance  
If I run out of songs to sing to take your mind off everything

Just smile, sit a while with the  
Sun on your face and remember the place we met

Take a breath and soon I bet you'll see

Without you I would never be me

You are the leaves of my family tree

Sing together

If you knew me from the very start,

Or we met last week at the grocery mart

Just sing together

It's the least that I can do

My final gift to you

Oo oo

When I'm past the pearly gate, I will find some real estate

Where we can settle down and watch the world go round

We'll send down all the love we got and let them know we got a spot

For them to be and it's all free,

The sun on your face and remember the place we met

Take a breath and soon I bet you'll see

Without you I would never be me

You are the leaves of my family tree

Sing together

If you knew me from the very start,

Or not at all you're still a part, just

Sing together

It's the least that I can do

My final gift to you

Oo oo

Oo oo oo oo oo oo oo oo oo oo oo oo oo oo
