Against Me!

Girl, I'm sorry, but I'm leaving.
We're both at fault, we're both to blame.
And it wasn't the other men 'cause there were other women,
This just isn't love, it's the remorse of a loss of a feeling.
Even if I stayed, things just wouldn't be the same. Double this drink up into the, tallest glass you got.
You know I ain't used to sleeping all alone.
Gonna make it to the moon tonight,
On a one-way kamikaze flight.
If I could get so high, I'd leave behind my problems,
Take 'em out with the empty bottles. Oh girl, I'm sorry, but I'm leaving.
We're both at fault, we're both to blame.
And it wasn't the other men 'cause there were other women.
This just isn't love, it's the remorse of a loss of a feeling,
Even if I stayed, things just wouldn't be the same. Me & this guitar are going swinging blind into the unknown.
You know a song & stage is all I ever needed of a home.
Someday I, will call from a payphone in a truck stop on the road,
And you'll tell me how much better off you've been on your own.
