You're All I Need

The Isley Brothers

Yeah, yeah, yeah, yeah, yeah, all alone for so long
All the hope I had in finding love was almost gone
Then an angel came alongI believe good things come to those who wait
And destiny, girl, I know it must be fate
Now I see, 'cuz I found my soul mate
You're all I needSo wonderful, beautiful
But the words don't do you justice, girl
You're so much more
And I dedicate my life to love you so
Love you soI believe good things come to those who wait
And destiny, it must be fate
'Cuz now I see, babe, 'cuz I found my soul mate
You're all I need, no, no, no, no, no, no, no, no
No, no, no, no, no, no, noLet me say it, I wanna say it again, girl
I believe that good things come to those who wait
And destiny, girl, I know it must be fate
'Cuz now I see, 'cuz I found my soul mate
You're all I needNever, never, never, never, never, never leave me, babe
Stay right there, right there, right there
So hard to describe, babe, you bring tears to my eyes
You're all I need[Incomprehensible]
[Incomprehensible] love you so, baby
You're all I need, baby
