## Cut Copy

When I am looking for you  
I call your number  
But I can't get through  
When I am looking for you  
I call your number  
But I can't get through  
When I am looking for you  
I call your number  
But I can't get through  
When I am looking for you  
I call your number  
But I can't get through  
There is a feeling in me  
And I don't know why  
Is there a feeling in you  
That you can't deny?  
There is a feeling in me  
And I don't know why  
Is there a feeling in you  
That you can't deny?  
There is a feeling in me  
And I don't know why  
Is there a feeling in you  
That you can't deny?  
There is a feeling in me  
And I don't know why  
Is there a feeling in you  
That you can't deny?  
There is a feeling in me  
And I don't know why  
Is there a feeling in you  
That you can't deny?
