

# You Reign

## Citipointe Live

[verse]

Over star filled skies  
Over all created life  
What was always meant to be  
Your glory raining over me

[pre-chorus]

You're above  
anything thrown my way  
Victorious  
I live to stand in You always

[chorus]

You reign  
Over all the earth we sing it  
You reign  
Justice and peace You bring it  
Your reign  
Holy one You reign

[tag]

Your kingdom come  
Your will be done  
Jesus reign over me
