## Mundo Zurdo

Call me jenny baby when you want me  
Call me jenny jenny when I cry  
With me big black empty handbag  
You give me little lollie when we hungry  
Give me Coca-Cola when we dry  
In the good times and the bad times  
That's right  
(chorus)  
Spending all me jarre  
Smoking all the time  
In Cairo  
Making all the junk for the big man  
In Cairo  
Spending all me jarre  
Smoking all the time  
In Cairo  
Doing all I can for the big man  
Cairo  
Under heavy menace in the day time  
Under heavy hoola in the night

With me milkshake and no handshake  
Singing in the morning like a tourist  
Working for me money all the time  
For the big wheel and the high heel  
That's right  
(chorus)  
(verse 1)  
(chorus x 2)  
Cairo...  
(chorus)
