Lloyd

[Street Love]Yeah, oh baby, you got me, like this,
I think I'm in love, all the time I can't stop dreamin',
About how happy I am that you came down to save me oh your my ghetto angel,
[...]Oh baby, when I'm (when I'm) in love (in love) I know the call,
Ooh baby when you need somebody to trust, don't you worry at all
'cuz I'll be here to love you, you're forever my girl.. ohhh,
Girl you know it's true, ooh,ooh, I doo love you! and
Girl you know it's true, ooh,ooh, I do love you!
I love you..
Stop, bring it back, can't get enough of your lovin',
You put it down, you're the one, ????? like you baby,
And I'm so happy, I am that, you came down to save me,
Oh you're my ghetto angel,

[...]Oh baby, when I'm (when I'm) in love (in love) I know the call,
Ooh baby when you need somebody to trust, don't you worry at all
'cuz I'll be here to love you, you're forever my girl.. ohhh,
Girl you know it's true, ooh,ooh, I do love you! and
Girl you know it's true, ooh,ooh, I do love you!
I love you baby,
I LOVE YOU BABY!!
Oh baby, when I'm (when I'm) in love (in love) I know the call,
Ooh baby when you need somebody to trust, don't you worry at all
'cuz I'll be here to love you, you're forever my girl.. ohhh,
Girl you know it's true, ooh,ooh, I do love you! and
Girl you know it's true, ooh,ooh, I do love you!
I love you baby,
I LOVE YOU BABY!!....
