Ain't Doin' Too Bad

Eva Cassidy

Well, I got me some money
And a fine place to stay
Got a car I can drive
I ride around everyday
Ain't doing too bad
Ain't doing too bad at all
I ain't doing too bad baby
Ain't doing too bad at all
I got a book full of men
I can call on the phone
And they all dig me
'Cause my conversation's so strong
Ain't doing too bad
Ain't doing too bad at all
I ain't doing too bad baby
Ain't doing too bad at all
I don't like work
Work don't like me
We stay away from each other
That's the way it ought to be
Ain't doing too bad
Ain't doing too bad at all
I ain't doing too bad baby
Ain't doing too bad at all
Ain't doing too bad
Ain't doing too bad at all
Oh no, no, no, I ain't doing too bad
Ain't doing too bad at all
