

# Goodnight and Go (The OC Soundtrack)

## Imogen Heap

Say goodnight and go  
Skipping beats, blushing cheeks I am struggling  
Daydreaming, bed scenes in the corner caf    
And then I'm left in bits recovering tectonic tremblings  
You get me every time  
Why d'ya have to be so cute?  
It's impossible to ignore you  
Must you make me laugh so much  
It's bad enough we get along so well  
Say goodnight and go  
Follow you home, you've got your headphones on and you're dancing  
Got lucky, beautiful shot you taking everything off watch the curtains wide open  
Then you fall in the same routine flicking through the TV relaxed and reclining  
And you think your alone  
Why d'ya have to be so cute?  
It's impossible to ignore you  
Must you make me laugh so much  
It's bad enough we get along so well  
Say goodnight and go  
One of these days, you'll miss your train and come stay with me  
It's always say goodnight and go  
We'll have drinks and talk about things, any excuse to stay awake with you  
You'll sleep here, I'd sleep there, but then the heating may be down again  
At my convenience  
We'd be good, we'd be great together.  
It's impossible to ignore you  
Must you make me laugh so much  
It's bad enough we get along so well  
Say goodnight and go  
Say goodnight and go,  
Why's it always always  
Goodnight and go  
Darling not again  
Goodnight and go.
