

# Cheese

## The Moldy Peaches

Where'd the cheese go?  
Where's the cheese gone?  
Where the cheese be?  
Where be my cheese?  
Inside, Inside, Inside, Inside, Inside, Inside, Inside, Inside Who took the cheese?  
Who has the cheese?  
Who's got the cheese?  
Where's all the cheese?  
Inside, Inside, Inside, Inside, Inside, Inside, Inside  
The insider, that's who took the cheese  
The insider, that's where the cheese be.
