Be There for Me

Thornley

I'm having one of those days
Where I feel like I'm in reverse
And everything that I say
Sounds like it's been rehearsedDon't let it go too far, boy
Don't let it go too far, don't let it
Don't let it go too farWhile everyone tears me apart
Would you be there for me?
Could you be there for me?
And I'm always breaking your heart
But will you be there for me?
Could you be there for me?So just how strong are those arms
As they carry the weight of the world
And just how far is too far
'Cause the boy always loses the girlDon't let it go too far, boy
Don't let it go too far, don't let it
Don't let it go too farWhile everyone tears me apart
Would you be there for me?
Could you be there for me?
And I'm always breaking your heart
But could you be there for me?
Would you be there for me?I always thought that the mind was a waste of time
Yeah, now I think that those thoughts
Are a friend of mine
Yeah, could you be there for me?While everyone tears me apart
Would you be there for me?
Would you be there for me?Don't let it go too far, boy
Don't let it go too far, don't let it
Don't let it go too farDon't let it go too far, boy
Don't let it go too far, don't let it
Don't let it go too farDon't let it go too far, boy
Don't let it go too far, don't let it
Don't let it go too farDon't let it go too far, boy
Don't let it go too far, don't let it
Don't let it go too farDon't let it go too far, boy
Don't let it go too far, don't let it
Don't let it go too farDon't let it go too far, boy
Don't let it go too far, don't let it

Don't let it go too farDon't let it go too far, boy
Don't let it go too far, don't let it
Don't let it go too farCould you be there for me?
