

Nothing on You

Bobby V

Fool me, love me
Kiss me, touch me
Treat me like I never did before
Skip the bed, we gon stay here on the floor
The way you kiss me so softly, I get to love it
Loving that we made, never felt it
I dont want nobody else but you
Girl you do to me what the others cant do
Youre my heart, girl
Soul soul
What? Oh no
Youre my heart, girl
Soul soul
What? Oh no
These girls aint got nothing on you, nothing on you
Nothing on you, I swear it
Aint got nothing on you, nothing on you
I dont care about the other girls lyin
Other girls tryin to tear us apart
No, they got nothing on you, nothing on you
She needs me, wants me
To love her unconditionally
Never met a girl thats down like her before
I got it all but we heard its much more
The way you kiss me so softly, I get to love it
Loving that we made, never felt it
I dont want nobody else but you
Girl you do to me what the others cant do
Youre my heart, girl
Soul soul
What? Oh no
Youre my heart, girl
Soul soul
What? Oh no
These girls aint got nothing on you, nothing on you
Nothing on you, I swear it
Aint got nothing on you, nothing on you
I dont care about the other girls lyin
Other girls tryin to tear us apart
They aint got nothing on you, nothing on you
The way you kiss me so softly, I get to love it
Loving that we made, never felt it
I dont want nobody else but you
Girl you do to me what the others cant do
Youre my heart, girl
Soul soul
What? Oh no
Youre my heart, girl

Soul soul

What? Oh no These girls aint got nothing on you, nothing on you

Nothing on you, I swear it

Aint got nothing on you, nothing on you

I dont care about the other girls lyin

Other girls tryin to tear us apart

They aint got nothing on you, nothing on you Nothing on you (you)

Nothing on you (you)

Nothing on you (you) Nothing on you (you)

Nothing on you (you)

Nothing on you (you)
