

Don't Be Afraid of the Dark

[Philipp Fankhauser](#)

past love
has been holding me like bad luck
and i've been leaving my defense up
but i keep forget what we've got we've got
'cause i was on the run from what i really wanted
but i could not let go
but now my time has come to take off all my armour
and step into the unknown it's like i have been afraid to love again
but i'm not holding back no more
oh i will find a way to let you in
oh i'm not ever giving up giving up
giving up giving up giving up () it's like i have been afraid to love again
but i'm not holding back no more
oh i will find a way to let you in
and we can (???) these walls it's like i have been afraid to love again
but i'm not holding back no more
oh i will find a way to let you in
oh i'm not ever giving up giving up
giving up giving up giving up
giving up giving up
giving up giving up giving up
giving up giving up 'cause i was on the run from what i really wanted
but i could not let go
but now my time has come to take off all my armour
and step into the unknown () it's like i have been afraid to love again
but i'm not holding back no more
oh i will find a way to let you in
and we can (???) these walls it's like i have been afraid to love again
but i'm not holding back no more
oh i will find a way to let you in
oh i'm not ever giving up giving up
giving up giving up giving up
