Something In Your Mouth

Nickelback

Got to meet the hottie with the million dollar body
They say it's over budget, but you'd pay her just to touch it, come on!
Needs to hit the big screen and shoot a little love scene
If Hollywood had called her she'd be gone before you holler, come on!Dirty little lady with the pretty pink thong
Every sugar daddy hitting on her all night long
Doesn't care about the money, she could be with anybody
Ain't it funny how the honey wanted you all along!(You naughty thing)
You're ripping up the dance floor honey
(You naughty woman)
You shake your ass around for everyone
(You're such a mover)
I love the way you dance with anybody
(The way you swing)
And tease them all by sucking on your thumbYou're so much cooler when you never pull it out
'Cause you look so much cuter with something in your mouthCrafty little lip tricks, tattoos on her left hip
She's bending as you're spending, there's no end to it, so baby come on!
Dressed up like a princess, betting that her skin smells
Better than the scent of every flower in the desert, come on!Dirty little lady with the pretty pink thong
Every sugar daddy hitting on her all night long
Doesn't care about the money, she could be with anybody
Ain't it funny how the honey wanted you all along!(You naughty thing)
You're ripping up the dance floor honey
(You naughty woman)
You shake your ass around for everyone
(You're such a mover)
I love the way you dance with anybody
(The way you swing)
And tease them all by sucking on your thumbYou're so much cooler when you never pull it out
'Cause you look so much cuter with something in your mouthShe loves the night scene, bar queen, just living for the fun
Taking over every dance floor like she's the only one
In the spotlight, all night, kissing everyone
And trying to look so innocent while sucking on her thumb(So much cooler)
When you never pull it out
(So much cuter)
With something in your mouth!(You naughty thing)
You're ripping up the dance floor honey
(You naughty woman)
You shake your ass around for everyone!

I love the way you dance with anybody
(The way you swing)
And tease them all by sucking on your thumb(You naughty thing)
You're ripping up the dance floor honey
(You naughty woman)
You shake that ass around for everyone
(You're such a mover)
I love the way you dance with anybody
(The way you swing)
And tease them all by sucking on your thumbYou're so much cooler when you never pull it out
'Cause you look so much cuter with something in your
