

# No Love

## Deliverance

Though you speak with tongues of angels  
Was said so long ago  
If love is not the motive  
Your evil as our foe I don't care if you prophesy  
Or have the power to heal  
If His love does not abide in you  
What you do is not real All you do is make the noise  
You use the gifts just like they're toys  
All you are is a sounding bell  
With no love You might be fooling everyone else  
But you're not fooling me  
You might even think you're fooling God  
But believe me He sees  
Don't be a fool  
God is not mocked  
For whatever you sow you'll reap  
Let God change your heart  
Don't conform to other's ways  
Don't let your heart remain where it is  
In a garbage heap
