

Gangsta Lean (John Fontein REMIX)

Clipse

[HOOK]

Gimme somethin' to roll

Somethin' gangstafied

Gimme somethin' to roll

Somethin' gangstafied

Gimme somethin' to roll

Somethin' gangstafied

Hey hey Star Trak, Star Trak

Now let's smoke and ride[CHORUS - Pharrell]

Oh girl ya taste is

Sweet like mornin' dew

I would go crazy girl

If I couldn't have none of you

I said ya from Jamaica

Straight outta my Mercedes trunk

You make me wanna roll ya up

And then you make my body slump

Which make a nigga have a gangsta lean

(Talk about the gangsta lean)

You make a nigga have a gangsta lean

(Talk about the gangsta lean)

Make a nigga have a gangsta leeean

(Talk about the gangsta lean)

You make a nigga have a gangsta lean

(Talk about the gangsta lean)[Malice]

I only love her on occasions

Keep my heart racin'

Love to take her on vacations

Where the time zone changes and money exchanges

And meters and kilometers on the dials of the ranges

Far away with my Jamacian sexy everyday is like a holiday

The cheeba got me in a slum sleeper

But when I try to leave her I just find out that it's cheaper to keep her

Plus she keep my thoughts deeper, really zonin'

Like my Cali homies 6-4 rollin'

Or them Deroit 'Lacs trimmed in golden

Or my Texas family 150 white strollin'

Damn, I was caught up in the Matrix

But not Keanu Reaves, as she rolls in bamboo leaves

I think a way to ship off these piano keys
Since the traffic in a gangsta lean[Pharrell]
You make a nigga have a gangsta lean
(Talk about the gangsta lean)
You make a nigga have a gangsta lean
(Talk about the gangsta lean)
Make a nigga have a geangsta leeean
(Talk about the gangsta lean)
You make a nigga have a gangsta lean
(Talk about the gangsta lean)[Pusha T]
If you put me where I need to be
Twist you anytime I feel the need
Love ya touch and how you set my mind at ease
In Virginia where you kept me motionless
From that point on I knew I could never get over this
Now they wanna see us broke up
'cause I'm lovesick, got me all choked up
Look, you keep my head in the clouds mami , 'till I can't breathe
And next to that heat seeker you my main squeeze
Plus I get twistin' didn't even spend my money on
Now either I'm a fool or you really must got me gone
You got me open these days I must admit
Body numbed up and in a slump like I been hit
But luckily it's just the green got me leavin' smoke streams
And blowin' smoke rings as I flee from the scene
Gangsta leanin' in a 850 beamin'
I'm like K-Ci and Jo-Jo, love you got me fiendin'[CHORUS - Pharrell]
Oh girl ya taste is

Her sex so sticky, I'm talkin' real icky
Have me gone and twisty

Make my other women miss me
Just by the way she kiss me
Hold her wit the index and thumb tippys
Ma I'm so trippy
Hard to hold back, scent so sweet
Got to Cognac and honey wrap her this ain't drink
From Taiwanese to Amsterdam greeny green
To hydroponic that make a weak stomach vomit[Malice]
Listen, at times you hinder my vision
Blinded by ya love and you got the room spinnin'
It's not jealousy the reason why I keep you hidden
Hell, I hit you then I pass you to my man like I do my women
I know just what I'm investin' in
I done traded currency wit the Mexicans
In Texas just so we could get affectionate
Your complexion lime green wit red specks in it
I love you[Pharrell]
You make a nigga have a gangsta lean
(Talk about the gangsta lean)
You make a nigga have a gangsta lean
(Talk about the gangsta lean)
Make a nigga have a gangsta leean
(Talk about the gangsta lean)
You make a nigga have a gangsta lean
(Talk about the gangsta lean)[HOOK 2x]
Gimme somethin' to roll

Gimme somethin to roll
Somethin' gangstafied
