

# I Don't Think You Really Mean It

## Retard-O-Bot

I don't think you really mean itIt's the things you say  
It's the things you do  
It's the things you promise  
That never seem to come trueI don't think you really mean it  
I don't think you really mean itIt's the things you say  
It's the things you doIt's the things you say  
It's the things you do  
It's the things you promise  
That never seem to come trueI don't think you really mean it  
I don't think you really mean itQuit your lies  
Stop pretending you're chasing your tail  
Your feet have been nailed to the floor  
The wool's been in your eyes for so long nowI don't think you really mean itIt's the things you say  
It's the things you doDon't expect a helping hand  
I've turned my head  
I've brushed you off  
Friends only as good as what they doGet me out of here  
Interference is what I need  
It all comes back to you  
It all comes back to youYou (x8)Get me out of here  
Get me out of hereStop lying  
Quit pretending you're chasing your tail  
Your feet have been nailed to the floor  
Wool's been in your eyes for so long, manI don't think you really mean itIt's the things you say  
It's the things you do  
It's the things you promise  
That never seem to come trueI don't think you really mean it  
I don't think you really mean itIt's the things you say  
It's the things you do  
It's the things you promise  
That never seem to come trueI don't think you really mean it  
I don't think you really mean it
