I Don't Wanna Wait

Rosi Golan

Advisory - the following lyrics contain explicit language:

No one tells me where to go,
No one tells me what to do today
Cause I don't know where I begin,
I don't know where I'm gonna end todayAnd I feel just like a child,
Thinking everything is mine, at the drop of a dime
And I'm walking round this town
I'm looking up, I'm looking down
I'm singing, singing out..I don't wanna wait,
I don't wanna wait,
I don't wanna wait
Thinking everything is alright.Moment that I wait,
or I hesitates a moment that I waste
And I can see it all passing me by,
I can see it all passing meThe streets, the bars, the restaurants.
The foreign toung, the ambiance they gave.
A day, a week, a month it seems
I'm always runnin out of steam and thenOh I feel just like a child,
running around getting wild,
Unaware of the time.Cause it's here and then it's not
and I recall what I forgot
I'm singing, singing outI don't wanna wait,
I don't wanna wait,
I don't wanna wait
Thinking everything is alright.Moment that I wait,
or I hesitates a moment that I waste
And I can see it all passing me by,
I can see it all passing meThey say, good things come.
It's worth it.
But I feel just like a child,
I feel just like a child
Singing, singing out..I don't wanna wait,
I don't wanna wait,

I don't wanna wait
Thinking everything is alright.Moment that I wait,
or I hesitates a moment that I waste
And I can see it all passing me by,
I can see it all passing me
