[CL]

Balmain to KTZ  
Many style from A to Z  
German Scott Givenchy  
B\*\*\*\* you ain't got s\*\*\* on me  
Chrome hearts  
Fendi furs  
Dripped in s\*\*\*\* you never heard

Ridin' down Seoul City  
Black on black Lamborghini  
Haters can't never see me

Come and get me... too slow  
I'm 'bout that paper chasing  
Body, fly face amazing  
Burn burn keeps it blazin  
Too hot to handle... can't touch this

You think you with it with it  
But you can't hit it hit it  
You know I got it got it  
'Cuz I'm so 'bout it bout it

I let them hoes know  
I run the show show  
We get it poppin  
And we stick you for your dough dough

[MINZY/MINJI]

'Cuz I'm so bad bad  
But I'm so good good  
Yeah I'm so bad bad  
And I'm so hood hood!(2x)

[Bom]

Can't nobody hold us down  
Nothing's gonna take us down  
And you think you can stop it  
But we ca't stop it tonight

Can't nobody hold us down

[Dara]

We gon' keep it goin' 'bout to run this town  
Can't nobody can't nobody hold us down

[CL]

So watch out when we come for you  
'Cuz playtime it's done for you  
It's my time and it's my time  
I'm pound for pound, best to ever come around  
Be patient, it's never been done  
Asians we rise with the sun  
Invasion, no mercy  
Takeover, we thirsty

Every show we shut it down  
Blow your speakers with this \_ \_ \_  
Build you up then break you down  
We comin' to your town

[MINZY/MINJI]

'Cuz I'm so bad bad  
But I'm so good good  
Yeah I'm so bad bad  
And I'm so hood hood!(2x)

[Bom]

Can't nobody hold us down  
Nothing's gonna take us down  
And you think you can stop it  
But we ca't stop it tonight  
Can't nobody hold us down

[Dara]
