How Still My Love (Live from Soundstage)

Stevie Nicks

Still the same old story What price glory You make it easy In the still of the night In the still of the night How still my love In the still of the night How still myDoing all you can for me They say you're not the man for me Don't make it easy In the still of the night In the still of the night How still my love In the still of the night How still myStanding in the doorway Watching out to sea Calling out to me You go your way Go on go on But you won't forget me Ooo no, you don't forget me Ooo no, my lonely oneDoing all you can for me They say you're not the man for me I don't make it easy In the still of the night Me talking to you
