

# Bad Kids

## Western Medicine

Hoo, hoo, hoo  
(Love in the air)  
Hoo, hoo, hoo  
You got some very bad kids  
Hoo, hoo, hoo  
(Love in the air)  
Hoo, hoo, hoo  
You got some very bad kids  
Hoo, hoo, hoo  
(Love in the air)  
Hoo, hoo, hoo  
You got some very bad kids  
Hoo, hoo, hoo  
(Love in the air)  
Hoo, hoo, hoo  
You got some very bad kids  
Blueberry kisses, my lips they miss his, oh yeah  
Where did you go now? Where did you go?  
Blueberry kisses, I told you baby, I'd love you maybe  
But you stopped the clock the second time around  
I need you around  
(Blueberry kisses)  
I need you around  
(Blueberry kisses)  
I need you around  
(Blueberry kisses)  
Blueberry kisses, the muffin man  
He misses them kisses, yeah  
Where did they go now? Where did you go?  
Blueberry kisses  
I told you baby, I'd L.O.V. E you maybe  
But you stopped the clock the second time around  
You know it's crazy, but I've been feeling lately  
That I need you around  
I need you around  
(Blueberry kisses)  
I need you around  
(Blueberry kisses)  
I need you around

(Blueberry kisses)
