The Queen's Nose

Slow Club

I don't know where I could go without you babe
I love you so
I don't know who I could call, to humbling late I don't tell a soul
What if to say, what if to say you don't go
What if to say, what if to say you don't leave
Me all aloneWhile it burns and it rages
Through the usual stages
My special walked on
And I'll never move onI don't know where I could go without you babe
I need you so
And I'm watching your belly grow, a softer skin
I'll never know
While it burns and rages
Through the usual stages
My special walked on
But I'll never move on'Cos I've tried with you and you broke me too
And I can't go on living like I do
I've got nothing left to say
Nowhere else left to turn
If you're never wrong, what've you got left to learnWhat is to say, what is to say you don't go
What is to say, what is to say you don't leave'Cos I've tried with you and you broke me too
And I can't go on living like I do
I've got nothing left to say
Nowhere else left to turn
If you're never wrong, what've you got
And I can't go on loving these songs
I can't go on on loving these songs
And I can't go on
I can't go on loving these songs
