

# Easy From Now On

**Terri Clark**

There he goes, gone again  
Same old story's gotta come to an end  
Lovin' him was a one-way street  
But I'm gettin' off where the crossroads meet Quarter moon in a ten-cent town  
Time for me to lay my heartaches down  
Saturday night I'm gonna make myself a name  
Take a month of Sundays to try and explain It's gonna be easy to fill the heart of a thirsty woman  
Harder to kill the ghost of a no-good man  
I'll be ridin' high in a fandangled sky  
It's gonna be easy, it's gonna be easy from now on Raw as the wind but clean as bone  
Soft to the touch when you take me home  
When the morning comes and it's time for me to leave  
Don't worry about me 'cause I got a wild card up my sleeve It's gonna be easy to fill the heart of a thirsty woman  
Harder to kill the ghost of a no-good man  
And I'll be ridin' high in a fandangled sky  
It's gonna be easy, it's gonna be easy from now on
