

If I Don't Have You

[Tara MacLean](#)

I see you, everywhere
Heart is empty, so despair, I'm standing
Out my window, life goes on
Feel no movement in me when you were gone
If I don't have you
Then what is it all for
I've traveled, long and nervous
I have torn myself from everything I longed
I have faded, and I found out
You are the only thing I can't live without
If I don't have you
Then what is it all for
I see you all around me
I never thought I'd feel like this
And you are
You're the one showing me through the darkness
If I don't have you
Then what is it all for
If I have you
I need nothing more
I see you, everywhere
Heart is empty, so despair....
