Beautiful Emilie

Keziah Jones

BEAUTIFUL EMILIE
"You got
You got to talk to someone
"You got to talk to someone someday
Cuz when the words are gone it's to late

Communication with "thee" put the antenna there
I am a function of "thee" speaking loud and clear
Oh Beautiful Emilie
Beautiful Emilie
I need an explanation right now
Some good communication somehow
I heard a statement from "thee" about an "L" shaped room
But a "space imaginary" is an abandoned womb
Oh Beautiful Eilie
Beautiful Emilie
I need an explanation right now
Some good communication somehow
An explanation for "thee" is
"You made an angel cry"
I feel so close to you there's no
"me" I am a three times why?
Why?
why?
Why?
Do ordinary people specialize?
