

Tin Soldier

Earth Quake

I'm a little tin soldier
That wants to jump into your fire
 You are a look in your eye
 A dream passing by in the sky
 I don't understand
All I need is treat me like a man
 'cause I ain't no child
 Take me like I am
I got to know that I belong to you
 Do anything that you want to do
Sing any so song that you want me to sing to you
 I don't need no aggravation
 I just got to make you
I just got to make you my occupation
 I got to know that I belong to you
 Do anything that you want to do
Sing any so song that you want me to sing to you
 All I need is your whispered hello
 Smiles melting the snow
 Nothing heard
 You eyes are deeper than time
Say a love that won't rhyme without words
 So now I've lost my way
 I need help to show me things to say
 Give me your love before mine fades away
 I got to know that I belong to you
 Do anything that you want to do
Sing any so song that you want me to sing to you
 Oh no no
 I just want some reaction
 Someone to give me satisfaction
All I want to do is stick with you ,cause I love you
