

# Seasons

## We Are Forever

Advisory - the following lyrics contain explicit language:

This is something crazy never felt it before  
the way you swing your body put my heart on the floor  
the taste of your lips made my heart beat go out of controlWhisper something to me baby say it ain't so  
you swore it up and down that you'd never let go  
it's easy just to say we're okay but I'll prayThat when the sun goes down and the lights go up  
then I'll know just how wrong you are  
x2And this morning I woke up to no one  
and that's the reason why  
that's the reason why  
our season's ending tonight  
and this morning I woke up to 12 missed calls  
and that's the reason why  
that's the reason why  
I won't return any at allCan you feel the tension in your words  
the way you speak my name  
It's lustng after me  
I won't fall for it again  
I don't understand  
all I know's it's easy just to say we're ok but I'll prayThat when the sun goes down and the lights go up  
then I'll know just how wrong you are  
x2And this morning I woke up to no one  
and that's the reason why  
that's the reason why  
our season's ending tonight  
and this morning I woke up to 12 missed calls  
and that's the reason why  
that's the reason why  
I won't return any at allI won't miss you  
no I won't miss you  
x3And this morning I woke up to no oneAnd this morning I woke up to no one  
and that's the reason why  
that's the reason why

our season's ending tonight  
and this morning I woke up to 12 missed calls  
and that's the reason why  
that's the reason why  
I won't return any at allOur season ends tonight
