

# Phonography (Bonus)

## Britney Spears

We're not so different you and me,  
'Cause we both share our share of obscenities,  
And everybody's got some freaky tendencies,  
Hidden or admitted, 'cause we all got needs, And I make no apologies, (uh uh)  
I'm into phonography, (uh uh)  
And I like my bluetooth buttons comin' loose,  
I need my hands free,  
Then I let my mind roam,  
Playing with my ring tone. He got service, I got service,  
Baby we can talk all night (go) Let's talk about biology,  
Make believe your next to me,  
Phonography, phonography,  
Talk that sexy talk to me,  
Better make sure that the line is clean,  
Keep it confidential, you and me.  
Phonography, phonography,  
Dirty talking, call it phonography (hey) I can final all your commands,  
But there will be no talk of adding you to my plans,  
I'll keep you connected as long as you understand,  
That's how we should keep it mister telephone man. And I make no apologies, (uh uh)  
I'm into phonography, (uh uh)  
And I like my bluetooth buttons comin' loose,  
I need my hands free,  
Then I let my mind roam,  
Playing with my ring tone. He got service, I got service,  
Baby we can talk all night (go) Let's talk about biology,  
Make believe your next to me,  
Phonography, phonography,  
Talk that sexy talk to me,  
Better make sure that the line is clean,  
Keep it confidential, you and me.  
Phonography, phonography,  
Dirty talking, call it phonography (hey) Baby if you're not alone,  
Take me on speakerphone,  
What I'm 'bout to say right here,  
Is just for your ears to hear,  
If you need to hit me back, hit me back,  
I got a \*69,  
(for that, for that)(Go) Let's talk about biology,

Make believe you're next to me,  
Phonography, phonography,  
Talk that sexy talk to me,  
Better make sure that the line is clean,  
Keep it confidential, you and me.  
Phonography, phonography,  
Dirty talking, call it phonography (hey)
