Do You Believe
In The Bright Side Of Life?
You Still Look Sad
Are You Afraid Of Death?This Never Ending Thought
About The Future Without Future,
Will Drive You Crazy
For All EternityYou Are Searching
For The Answers About It All,
But You Can't Find Them
'Cause You're Enveloped By Lies
Black... Black... Black...Do You Believe
In The Bright Side Of Life?
You Still Look Sad
Are You Afraid Of Death?You'll Never Free Yourself
Pain, Hate And Fear...
You'll Never Free Yourself
Is What You Feel ...You Are Searching
For The Answers About It All,
But You Can't Find Them
'Cause You're Enveloped By Lies
Black... Black... Black...You've Only One Way Out
You've Only One Way OutBlack... Black... Black...
