

# Christmas Card

## The Dissidents

I hate Minnie Pearl  
Living in her Hillbilly world  
I hate corporate rock  
Is what we play such a shock?

I hate Rhonda Bates  
She's someone everyone hates  
I hate going to work  
The boss I have is such a jerk

I hate TV  
Makes me wish I couldn't see  
I hate kids that smoke pot  
They don't realize their brain's gonna rot

I hate the conformist's way  
They do the same thing day after day (repeat)

I HATE EVERYONE.....

I hate the senior citizens...they don't like The Dissidents!
