

Canvas (Mark Eteson Re-Paint)

Imogen Heap

Slow heart dark wait down love black canvas

Revolve within, you understand

Fragile earth where cracks in the temperature

Keep it cool to give, you understand

Keep it cool to give, you understand

Slow heart dark wait down love black canvas

Revolve within, you understand

Fragile earth where cracks in the temperature

Keep it cool to give, you understand 'Cause I just can't find the strength to pull you up and keep you taut

No I just can't find the strength to hold you up and keep you taut Hijacked lost track light fades another day left

Long shadows lure you in

The more you look the less you see

So close your eyes and start to breathe

Oh, suit yourself, this wasn't easy

Mm, suit yourself this wasn't easy Oh, I just can't find the strength to pull you up and keep you taut

No, I just can't find the strength to hold you up and keep you taut Wo-wo-wo-wo-wo

Wo-wo-wo-wo-wo

Wo-wo-wo-wo-wo-wo

Da-day-hay

Wo-wo-wo-wo-wo

Wo-wo-wo-wo-wo

Wo-wo-wo-wo-wo-wo

Da-dada-ho 'Cause I just can't find the strength

To keep you taut.
