

# Morningstar

## Kilowatts & Vanek

I saw a star beneath the stairs  
Glowin' through the meltin' walls  
Who will be the first to begin their fall?  
Or will we become one? Am I the star beneath the stairs?  
Am I the ghost upon the stage?  
Am I your anything? I saw a star beneath the stairs  
Glowin' bright before descent  
And in the morning there is nothing left  
But what's inside of me? Am I the star beneath the stairs?  
Am I the ghost upon the stage?  
Am I your anything? Am I the star beneath the stairs?  
Am I the ghost upon the stage?  
Am I your anything? And I don't want to die tonight, will you believe in me?  
And I don't want to fall into the light Will you wish upon? Will you walk upon me?  
I don't wanna die tonight, Will you believe in me tonight?  
Am I the star beneath the stairs?  
Am I the ghost upon the stage?  
Am I your anything? Am I the star beneath the stairs?  
Am I the ghost upon the stage?  
Am I your anything?
