

# Brick House

## Wet Wet Wet

Gimme the horns  
Ah, she's a brick house  
She's mighty mighty, just lettin' it all hang out  
She's a brick house  
The lady's stacked and that's a fact  
There ain't hold nothing back  
Now she's a brick house  
We're together, everybody knows  
And this is how the story goes  
She knows she's got everything  
That a woman needs to get a man, yeah, yeah, yeah  
How can she lose, with the stuff that she use  
36, 24, 36, oh what a winning hand  
She's a brick house  
She's mighty mighty, just lettin' it all hang out  
Ah, she's a brickhouse  
The lady's stacked and that's a fact  
There ain't hold nothing back  
Now she's a brick house  
She's the one the only one built like an Amazon  
The clothes she wears, her sexy ways  
Make an old man wish for younger days, yeah, yeah, yeah  
She knows she's built, she knows how to please  
Sure enough to bring a strong man to his knees  
She's a brick house  
She's mighty mighty, just lettin' it all hang out  
She's a brick house, yeah  
The lady's stacked and that's a fact  
There ain't hold nothing back  
Shake it down, shake it down, down  
Shake it down, shake it down, down  
Shake it down, shake it down, down  
Shake it, shake it, shake it  
Shake it down, shake it down, down  
Take it down, take it down, down  
Take it down, take it down, down  
Break it down  
Break it down  
Yoh

Put your hands in the air like you don't care  
Can I get a witness?  
Can I get a witness?  
Can I get a witness?  
She's a brick house, yeah  
She's mighty, mighty, just lettin' it all hang out  
She's a brick house  
And she's the one the only one built like an Amazon  
She's a brick house  
She's mighty, mighty, just lettin' it all hang out  
She's a brick house  
She's the one the only one built like an Amazon  
She's a brick house  
She's mighty, mighty, just lettin' it all hang out, yeah
