Under Tha Influence (Follow Me)

Cee-Lo

I'm goin' crazy
Would you like to come with me?
Ooh, it's never to late to lose your mind
I've forgotten where I've come from
I can't remember where I'm goin'
So when you take my hand
Just got to trust me even though I'm blindFollow me, follow me
Follow me, follow me
Follow me, follow me
Follow meAre you there yet?
Do you even care yet?
Leave that forever as long as your fears are far behind
But first you got to trust me
This is your destiny it must be
So take my hand I've seen the promised land even though I'm blindFollow me, follow me, follow me
Ooh, I can set you free if you
Follow me, follow me, follow me
YeahYou've got to believe in something
So why not believe in me?
Because of everything, you've probably seen
Is not what it seems 'cuz life is a dream
You've got to believe in something
So why not believe in me?
Because of everything, you've probably seen
Is not what it seems 'cuz life is a dreamRock, roll
Rock, roll
Rock, roll
Rock, rollAnd if tomorrow is takin' to long
And yesterday is too far away
And the reality of what you believe in begins to bind
Call my name
And I'll come runnin'
Take my hand, I'll understand even though I'm blindFollow me, follow me, follow me
Yeah, I can set you free if you
Follow me, follow me, follow me
Yeah
