

Lilac Wine

Judy Henske

Lilac wine is sweet and heady, like my love
Lilac wine, I feel unsteady, like my love
 Listen to me, I cannot see clearly
 Isn't that he coming to me nearly?
Lilac wine is sweet and heady, where's my love?
Lilac wine, I feel unsteady, where's my love?
 Listen to me, why is everything so hazy?
 Isn't that he, or am I going crazy?
Lilac wine, I feel unready for my love
 Feel unready for my love
