Just A Little In & Out

Rupaul

Ooh, I kiss your shoulder, move on up against you
Feel my breath around you, that's how I wanna hold ya
Ooh, I taste your body, sweat though I ain't been there yet
I know it's something we won't soon forget, noDon't want to hear you say you love me
(You know that, that would be a lie)
Sex and love are two different things, ooh, baby
(Do I really have to tell you why?)This ain't forever, this is for now
(I really want to show you how)
So, tell me what's the fuss all about, ohIt's just a little in and out, aah, aah, oh, yeah
It's just a little in and out, aah, aah, oh, yeah, yeah, babyI, do what I do so well, you'll think I'm hot as hell
You'll feel the fire, we're gonna burn some rubber
Ooh, attraction is so strong, just wanna turn you on
My motor's runnin', drive it all night long
(Just do it)Don't want to hear you say you love me
(You know that, that would be a lie)
Sex and love are two different things, ooh, baby
(Do I really have to tell you why?)This ain't forever, this is for now
(I really want to show you how)
So, tell me what's the fuss all about, ohIt's just a little in and out, aah, aah, oh, yeah
It's just a little in and out, aah, aah, oh, yeah, yeah, babyIn the dark, I want to be your
Me and you I'll make it good for you
Oh, my baby, oh, my baby, nowWe come and go
Come and go hit the door, don't nobody need to know
Ain't nobody's business, c'mon, c'mon, c'monYou got what I want, I got what you need
Wasting time to wine and dine me
I don't want love and affection
I just need a love injection
Point, aim, shoot in my directionI'm the trannie mack taste good like baby back
Slip-n-slide, up inside, down deep
I thought you knew, ain't no other bitch like ruDon't want to hear you say you love me
(You know that, that would be a lie)
Sex and love are two different things, ooh, baby
(Do I really have to tell you why?)This ain't forever, this is for now
(I really want to show you how)
So, tell me what's the fuss all about, oh, oh
(It's just a little in and out)Don't want to hear you say you love me
(You know that, that would be a lie)
Sex and love are two different things, ooh, baby
(Do I really have to tell you why?)This ain't forever, this is for now

(I really want to show you how)
So, tell me what's the fuss all about, oh, oh
(It's just a little in and out)Don't want to hear you say you love me
(Aah, aah, ooh, yeah, it's just a little in and out)
Sex and love are two different things
(Yeah, it's just a little in and out)This ain't forever, this is for now
(It's just a little in and out)
So, tell me what's the fuss all about, oh
(It's just a little in and out)Aah, aah, ooh, yeah
